December 1, 2008

For immediate Release:

Green Space Today, the premier online magazine and business resource that connects people, companies, institutions, and cities that value green building and sustainable practices, will publish a top line-up of features and columns in its January 2009 issue.

Green Guide:

In this section of Green Space Today, we will provide resources guided to assist our readers and members economically & environmentally.

The January "Green Guide" will provide the following resources:

1) Querrey & Harrow's Green LawLink:

1209 W Sherwin Ave, #209
Chicago, IL 60626
Phone: 888.945.4442 X101
Fax: 708.799.6310

531 Howard Street, Floor 2
San Francisco, CA 94105
T: 888.945.4442 X102
F: 415.247.2803

Querrey & Harrow's Jennifer Pohlenz, Attorney at Law, will write a column titled The Chicago Green Code that will focus on Chicago Building Code for commercial buildings that applies to both healthcare facilities and corporate spaces.

2) Building Better Business:

Dr. Larry Gard's (Gard Executive Consulting) essay, Sustaining Healthy Relationships in Corporate Environments, will analyze how fathers and sons/daughters can work proactively and appropriately together in a corporate environment. The preservation of internal, professional relationships among fathers & their offspring can foster the successful construction of sustainable spaces. In this feature, hear from Bill Matthys, President, & Mike Matthys, Project Manager, Linden Group, Inc; Greg Parr, President, & Michael Parr, Vice President, Frontier Construction, Inc.; Joe Krusinski, CEO, & Gina Krusinski, Marketing and Administrative Manager; Dale Reiser, President, Bryan Reiser, Project Manager, & Chad Charon, Director of Business Development, Professional Building Services, Inc.; Ray Riha, Sr., Founder, & Ray Riha, Jr. Executive Vice President & General Manager, OEC Business Interiors, Inc.; and Bob Kerrigan, Michael Kerrigan, President, & Jerry Kerrigan, Jr., Vice President, F.J. Kerrigan Plumbing Co., Inc.

3) Management:

Susan Haifleigh, Director of Sustainability Solutions, VFA, will issue a column titled The Building Doctor's Green Treatment for Community Hospitals, which will express advocacy to healthcare providers, hospitals, and environmental enthusiasts. The advocacy translated in this piece will inform hospitals about practical ways in which they can adopt sustainable practices (IE energy management, water conservation) and how VFA approaches healthcare clients regarding the integration of sustainable management & components.

4) Green Home Remodeling Tips:

Green Home Remodeling Tips by Seymour Turner, Certified Green Professional (CGP), National Association of Home Builders (NAHB), Executive Vice President, Airoom Custom Remodeling Specialists

building on
sustainability

Seymour Turner's article will express green remodeling tips that are also affordable environmental solutions.

5) Continental Perspective:

Interview between Adam Busch, Co-Publisher & Owner, and Kevin Kilbride, VP, Therma Ray. In this interview (presented as a Q&A), Busch will ask Kilbride questions about radiant heating systems, about the green movement in Canada, and why Chicago is a good market for Atlantic Canadian companies such as Therma Ray who collectively came to Chicago on a trade mission known as **Team Atlantic Canada.**
